Important Scholarship Details

- **You are responsible for this information.** Please keep this flier for your reference. Also, refer to your original scholarship award letter for additional information concerning the conditions of your award.
- You must enroll at ASU for the Fall 2006 semester following your high school graduation in order to take advantage of this scholarship.
- Your institutional recruitment scholarship may be used toward your educational expenses. Please be aware that ASU does not combine institutional recruitment scholarships. In the event you become qualified for a different ASU recruitment scholarship with a higher dollar value (i.e., National Merit, Flinn Finalist, National Hispanic, National Achievement, Leadership, President's, Provost's), ASU will award you that scholarship, which will replace this award. www.asu.edu/fa/scholarships
- If you require a **leave of absence**, check ASU's current readmissions requirements and/or ASU's leave of absence policies. To retain your scholarship, **you must request a scholarship deferment** from the Scholarship Office. Qualified deferments are permitted only after completing at least one successful semester at ASU. You will forfeit your scholarship if a deferment is not approved before your leave. For eligible deferment requests, visit www.asu.edu/fa/forms/schol_deferment.html.
