Consortium agreements enable ASU degree-seeking students to participate in financial aid programs while **concurrently attending ASU and another accredited higher education institution**. This agreement does not guarantee an increase in the amount of financial aid you will be eligible to receive. ASU reserves the right to not enter into a consortium agreement if, in the opinion of the ASU Student Financial Assistance office (SFAO), that consortium agreement would be administratively prohibitive. **Since this agreement does not guarantee deferment of your past loans, please contact your lender.**

SUBMISSION DEADLINES:

Fall 2008: September 15, 2008
 Spring 2009: February 9, 2009
 Summer 2009: Contact our office for deadline

TERMS (Please initial each line indicating that you have read and understand these terms.)

- I must pay my non-parent institution.** ASU will not provide early release of financial aid or send payment to your non-parent institution.
- I will receive limited consideration for financial aid.** Awarded Federal Perkins loan and grant funds (excluding the Federal Pell Grant) will be paid to you based on your ASU hours only. For federal loan consideration, you must have a combined minimum enrollment of 6 credit hours (undergraduate) or 5 credit hours (graduate). [Exception: ASU School of Social Work Tucson Component students will receive full aid consideration.]
- I will lose institutional scholarships if I am not meeting the renewal criteria.** To retain other scholarships, such as private donor and academic department scholarships, you must submit a letter to the ASU Scholarship Office from the donor/department authorizing credit of your scholarship(s) at a lower ASU credit hour enrollment.
- I can only enroll in non-parent institution courses that are applicable to my ASU certificate or degree program.**
- I can only receive financial aid from ASU for the semester in question.** All financial aid records for this period will be maintained at ASU.
