Graduate students and fifth year undergraduate students are eligible for up to $2000 in loans only. Repayment and interest on the loan begin nine months after you graduate or become less than a full-time student. The current interest rate for repayment is at 5% per annum for the first five years and 8% per annum on the unpaid balance beginning with the sixth year.

Scholarship Background

The Dougherty Foundation is named for the late M.J.G. Dougherty and Bess Dougherty, his wife. Mr. Dougherty was a pioneer lawyer and farmer. Mrs. Dougherty was a teacher and philanthropist. Together, they placed their estate in trust for the education of good students with financial need. The Dougherty Foundation has scholarship and loan programs for fulltime Arizona students in both undergraduate and postgraduate degree programs.
