

## ***Making an international payment to ASU for your student account charges***

ASU has partnered with Flywire (formerly peerTransfer) to offer a streamlined and cost effective payment method for you to send international payments. Flywire offers excellent foreign exchange rates compared to traditional banks resulting in lower costs.

You can initiate your international payment to ASU for your student account charges by logging in to My ASU and select the "Finances" tab at the top of the page, then click "Make a Payment" to be transferred to QuikPAY. Submit your payment up to the amount owed on your account. Once your payment is received by ASU, it will be credited to your student account in a timely manner.

### **Authorized Payers:**

If your student has given you Authorized Payers access through the My ASU Guest Access, you can log in to My ASU and click on "Make a Payment" to be transferred to QuikPAY to begin the international payment process.

Once you are logged in to QuikPAY, you will be able to access the Flywire portal to submit your international payment to ASU.

The first time you access Flywire you will need to create a Flywire login. This login will allow you to review your Flywire payment activity and history.

Once you are logged in to Flywire follow these steps to complete your international payment process:

1. Complete the requested payment details online and submit. If your home currency isn't available, you can still take advantage of cost savings by sending your payment in one of the many currencies Flywire offers.
2. Flywire will provide detailed payment delivery instructions on how to submit your payment to ASU through Flywire via your banking online system, by phone or in person.
3. Flywire will convert your payment to US dollars and transfer the amount to ASU where it will be credited to your student account. Once ASU is sent your payment Flywire will send you a confirmation email.
4. You can access your Flywire account at any time to track the progress of your payment.

**Flywire** (formerly peerTransfer) **Customer Support** <https://www.peertransfer.com/help>:

Flywire's customer support is there for you and is available 24 hours a day, seven days a week via chat, Skype, email and phone to answer any of your questions.
