What else do I need to know?

- **Honorable discharge:** Your character of service is noted on your DD Form 214 (Member-4 or Service-2) and must be “Honorable” to be qualify as an Honorably Discharged Veteran. This exception cannot be transferred to your spouse or dependents.
- **Choice Act:** This exception also applies to spouses and dependents if the veteran was discharged within three years of enrollment at a University under the jurisdiction of the Arizona Board of Regents and the student is using transferred educational benefits. Typically, your certificate of eligibility will confirm your discharge date, but additional documents may be requested.
- Students that are classified as residents are required to verify citizenship, lawful status or eligible visa types. Non-U.S. citizens must possess a visa type that does not prohibit them from establishing a permanent home in Arizona. Students on F-1/J-1 visas are not eligible for residency.
- The term “resident for tuition purposes” differs from other definitions of Arizona residency. For example, a person who is an Arizona resident for voting or tax purposes may not be a resident for tuition purposes.
- This exception requires you to show demonstrated intent to be an Arizona resident. State law requires that you obtain an Arizona vehicle registration and driver license, immediately if any of the following apply:
  - You are registered to vote in Arizona.
  - You obtain a state license or pay school tuition fees at the same rate as an Arizona resident.
  - You place children in school without paying the tuition rate of a nonresident.
