You may complete the Parent Review Form if your current family's financial situation is not accurately reflected by your parent(s) 2018 income tax information. Your 2018 income is used to assess your student’s financial need for the 2020–2021 Free Application for Federal Student Aid (FAFSA) in accordance with federal laws and regulations.

This form will not be processed until your student’s financial aid file is complete and your student has been awarded financial aid. Families with a zero Expected Family Contribution (EFC) do not need to submit this form as the EFC cannot be reduced further.

Instructions

1. This form will not be processed if any items are left blank or illegible.
2. Use blue or black ink only. Please type or print clearly.
3. Attach a required and relevant documentation to this form.
4. If clarification of your situation is necessary, more information or documentation may be required.
5. Submit this form and supporting documentation by mail to P.O. Box 870412, Tempe, AZ 85287-0412, in person to any Financial Aid and Scholarship Services locations, or upload to https://students.asu.edu/forms/parent-review.

Please note: Changes resulting from this review do not guarantee an increase in aid since a loss of income may have little or no effect on the student's financial aid eligibility.

Section A: Reason for Review

Please check the reason(s) for this review and provide the documentation required for each reason.
