Requesting a Complete Session Withdrawal may result in varying effects to your student account. Please be mindful of the following and make sure to check in with corresponding departments:

- ☐ **Financial Aid** – Financial aid recipients who completely withdraw from the university may be responsible for immediate repayment of funds. The effect of a complete withdrawal on financial aid depends on when the withdrawal is dated and the type of financial aid. More information regarding the return of financial aid is available at <https://students.asu.edu/policies/fa-withdrawal>. To further discuss financial aid, please contact 1-855-278-5080.
- ☐ **Tuition and Refunds** – The date of a complete withdrawal will determine whether or not a tuition refund will be generated. See <https://students.asu.edu/tuitionrefundpolicy>. For further assistance, please contact Student Business Services at 480-965-6341.
- ☐ **Health Insurance** – Students should contact their health insurance company to determine whether or not withdrawing from the university can influence their coverage.
- ☐ **Residential Life** – Students who live on campus should contact their residential hall community staff to determine what impact withdrawing will have on their eligibility to live on campus, to complete a License Agreement Release (LAR) form, and to arrange an appointment to officially check out. Residential Life can be contacted at 480-965-3515.
- ☐ **Veteran Benefits & Certifications** – Students should contact the appropriate Veteran Benefits & Certifications office to discuss information regarding veterans' educational benefits and/or military activation.
