Program-sponsored trips and activities

Learn English not only in the classroom, but also through American cultural experiences, including a trip to the Grand Canyon (one of the Seven Natural Wonders of the World).

Start on your path to becoming a global leader

Get the best of two worlds at a prestigious international business school that is now part of ASU, one of the top universities in the world

As the world becomes smaller and careers more multinational, ASU is establishing itself as the leader in global business education. With the addition of the renowned Thunderbird School of Global Management, ASU is combining Thunderbird's 70-year mission of excellence in international business education with its own reputation for innovation and global impact. Now you can earn a **Bachelor of Global Management** degree, where you'll gain knowledge of management practices and expertise in different regions of the world and master second-language skills. You'll also experience first-hand living and working in another country through an international internship — an opportunity that will prepare you for a variety of global careers. Additionally, Thunderbird offers a highly specialized **Master of Global Management** program that prepares you to take on leadership roles in multinational corporations, government and nonprofit organizations. And a **Master of Arts in Global Affairs and Management** strengthens your foundation in business management and provides the cultural relations skills you need to effectively navigate and succeed in today's global economy. **thunderbird.edu**

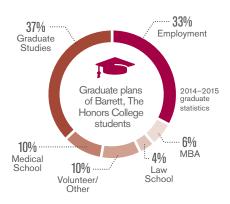

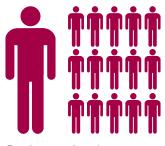

You can conquer the world with a quality education.

Ranked one of the top honors colleges in the country, Barrett, The Honors College is designed to enhance the ASU experience. Think of it as having dual citizenship in both Barrett and ASU. Barrett students have access to the vast resources of ASU while being part

of a small living-learning community of scholars. In addition, they get personalized attention, exclusive faculty interaction, and unique internship and research opportunities. **barretthonors.asu.edu**

International Exchange Program

Study at ASU as an exchange student through the Study Abroad Office

ASU's Study Abroad Office welcomes international exchange students who are interested in studying in the U.S. for a term or an academic year. To participate in an exchange program you must be nominated by your home institution, which in turn must have an exchange agreement with ASU. You can enroll in ASU courses and earn credit toward your degree at home. The exchange student application and requirements may differ from ASU's general international admission requirements.

Study from home at ASU Online

Earn an ASU degree without leaving your country

- ASU's online programs have the same admission standards, faculty, curriculum and quality as on-campus classes.
- ASU offers more than 90 undergraduate, graduate and certificate programs online.
- Online degree programs hold the same accreditation as ASU's traditional on-campus programs.
- Online students receive the same diploma as all ASU students.

Undergraduate

Admission Requirements

Academic Minimum

- Freshman students must have a 3.00 GPA or better from a secondary school (4.00="A").
- Transfer students must have a 2.50 GPA or better from a college or university.
 Some ASU programs (such as those in the

Some ASU programs (such as those in the W. P. Carey School of Business and the Ira A. Fulton Schools of Engineering) may have higher admission requirements, which could include a higher transfer GPA of 3.00 and a minimum ACT or SAT score.

Language Proficiency

Success at ASU begins with a strong comprehension of the English language. Because our rigorous courses are taught in English and move at a fast pace, fluency in the language is necessary for understanding concepts and expressing yourself effectively. Applicants whose native language is not

English must provide evidence of English language proficiency by submitting test scores from **one of the following**:

- Test of English as a Foreign Language (TOEFL)
- International English Language Testing System (IELTS)
- Pearson Test of English (PTE)

Conditional Admission

ASU may offer conditional undergraduate admission to applicants who meet the academic requirements but not the English proficiency requirement. In that case, students may fulfill this requirement by completing the Advanced 2 level of ASU's Global Launch English Program instead of one of the English proficiency options listed above.

- 2. Pay the application fee.
- 3. Send official transcripts.
- 4. Provide evidence of English language proficiency.
- 5. Submit your financial guarantee.

Graduate

Admission Requirements

Academic Minimum

Bachelor's degree: Applicants must have a U.S. bachelor's degree or higher from a regionally accredited institution or the equivalent from an officially recognized institution.

GPA: Applicants must have maintained a 3.00 GPA in the last 60 semester hours or 90 quarter hours of undergraduate course work (4.00="A"). In some cases, a lower GPA may be considered.

Official test scores: Each department has its own official test scores requirement.

Each ASU graduate program has its own admission standards, which may be higher than

university minimum standards. For details about admission requirements and funding options, contact your program department.

Language Proficiency

Applicants whose native language is not English (regardless of current residency) must provide proof of English proficiency, which can be fulfilled by one of the following:

- TOEFL score of at least 550 (PBT) or 80 (iBT)
- IELTS overall band score of at least 6.5
- PTE score of at least 60

- Indicates an accelerated 4+1 degree program. ASU offers a streamlined path to a master's degree from ASU undergraduate programs, reducing the time to get a master's degree from two years to one year.
 Indicates a concurrent degree program. ASU offers high-achieving graduate students the opportunity to complete two distinct but complementary graduate degrees at the same time.

Find a campus that fits you

From the small, closeknit West campus to the historic, bustling Tempe campus, we have the perfect location for you. You can take classes and attend events at any of ASU's five metro Phoenix campuses using our free intercampus shuttles. With cuttingedge classrooms and lab spaces, residential colleges, fitness and dining facilities, and student support services, each campus has its own unique style and mix of academic programs.

Not sure which campus is right for you? Visit or explore the virtual tour.

Living in Arizona

The metro Phoenix advantage

Known for beautiful scenery, sunshine and business opportunities, Phoenix is the sixth-largest city in the nation. That means more choices for internships and entertainment at some of the finest museums, performing arts venues, restaurants and shopping in the region.

Here you'll enjoy an active outdoor lifestyle while having the opportunity to go snow skiing in Flagstaff or visit the Grand Canyon for the day, or take a one-hour flight to Las Vegas, Los Angeles or San Diego for the weekend. Plus, Phoenix Sky Harbor International Airport offers 1,200+ flights daily for easy access to anywhere in the world.

Information is subject to change. ASU is an affirmative action/equal opportunity institution. For ASU's nondiscrimination statement, visit asu.edu/titleIX. ©2015 Arizona Board of Regents for ASU. Published August 2015. 25M
