Enrollment Considerations
- Students will not be able to begin a new ASU degree program until the subsequent semester, i.e. a student can’t graduate after session A and start a new degree program in session B.
- Students will not be eligible to re-enroll after the conferral date in the term a degree has posted.
- Once a degree is conferred, changes to the academic record are not permitted.

Financial Aid Considerations
- A degree being posted after session A for a Fall, Spring, or Summer may impact a student’s financial aid or loan pay-back date.
- Students should contact Financial Aid and Scholarship Services at 855-278-5080 to identify any and all consequences related your degree being conferred after session A.

Completion Letter
- For students who do not wish to request early conferral, a completion letter can serve to verify that a student’s degree requirements have been completed. This letter will be generated, upon the student’s request, for professional organizations, employers, schools, or other third parties.
