Unsure of Major

Wants to explore options before deciding

Considering Multiple Majors

Sure of career, but unsure of major

Sure of major, but unsure of career
Deciding on a Major

Thoughtful Process

Lightening Strike
ASU Exploratory Tracks

- Social & Behavioral Sciences
- Humanities, Fine Arts & Design
- Health & Life Sciences
- Engineering, Math, Technology & Physical Science
you have a **map** to follow

look at other **maps** to see if you want to make the trip

decide your **graduation route**
Exploratory Support

• Academic success specialists
  – Trained to do general academic advising for all majors at ASU.
  – *Help students prepare for multiple majors, while also helping students stay on track for graduation through general studies.*

• The School of Letters and Sciences has its own team of faculty specializing in career and major exploration.
